With just a few games left this season, the team known as "Spanish Style" is slowly but surely climbing in 2010 Football master League. Our Fairways stars are Juan Carlos Ramos Medina (Timeshare Club maintenance team) and Jerome Hamel (Community maintenance team).

[Maintenance in Fairways Club in April and May](#)

There is always plenty to do around the resort. After Easter we come to our quieter period of the year, so all little jobs that could not have been done with many people around are done. Replacing of broken tiles around the pool area and re – grouting, repairing and painting walls and conservation of iron work on rails and fencing were only few of the tasks.

As for new projects we have changed wooden number boards on the bottom of each staircase for new ceramic ones (see photo). Jerome and Jonathan, our Community maintenance team have gone artistic and covered the bench next to the staircase going down to Premier Bar, Rent a car and Bliss in mosaic. (see photo)

Mari, our Housekeeper became a grandma for the 3<sup>rd</sup> time on May 14<sup>th</sup>. This time it is a named boy, Jorge (George) and both mother and the baby are well.
